What a great show season for EMDA! With shows at Puckerbrush, Peppergrass, and Infinity Farm, members had plenty of opportunities to show, work toward their goals, and get their “horse fix”. All of our shows were well-attended and well-organized, and we enjoyed excellent weather at most of our events.

Did you volunteer at one of our shows this year? If so, we want to say THANK YOU! Our club would not be successful without you! Volunteers make our shows possible!

EMDA held three fundraisers, including two schooling shows at Peppergrass, a Ride-a-Test clinic with Susanne Hamilton, and a clinic with Vincent Flores. We made just a little less than \$2300 for our club!

Please watch our facebook page for information about our year-end awards forms and our banquet! We will need those scores submitted immediately following our last affiliated show, which will be at Puckerbrush Farm on November 3. We are going to have a great time celebrating your accomplishments!

Heartfelt 
THANKS
TO OUR VOLUNTEERS!

We had a fabulous Kur For A Cure Show on Saturday October 5, at Esprit Equestrian Center, raising \$4000 for The Dempsey Center! Thank you to ALL the riders, volunteers, friends and family who attended and helped this to be a very successful day. A special thanks to our two judges, Christine Joost and Krisy Nordgren, who both donated significant amounts towards the Kur For A Cure! Below are the results:

Puckerbrush Farm (with the support of The Maine Dressage Society, Eastern Maine Dressage Association and the New England Dressage Association) was lucky enough to host a weekend clinic with JJ Tate on September 7th and 8th.

This was a fantastic clinic. JJ taught 11 lessons per day ranging from Training to FEI Level and brought the same energy, enthusiasm and exceptional skill from beginning to end. This clinic also brought out a large group of auditors. It was wonderful at times to see nearly 30 people in the stands watching and learning throughout the weekend.

JJ's teaching style brought a lot of humor to the weekend as well as bringing significant improvement to every horse and rider pair. She encouraged participants to try to keep the horse balanced in front of the tailbone, between the seat bones and stabilized with the core. She also wanted us to think of our seat bones like flashlight beams and point those beams toward the place we want the horses back feet to land.

This clinic was spectacular and the participants are looking forward to hosting JJ again in the near future!
